The Walk: The walk is more or less a figure of 8 walk of just over 2.5 miles. There are a few steps, one low stile and a couple of kissing gates, footpaths, pavements and towpath so might be difficult with buggies.

The Venue: The pub is located near Leatherhead Bridge and although it only has 4 parking spaces outside, the pay and display car park next door is free on Sundays. If this is full you can park free for 3 hours at Leatherhead Leisure Centre and move the car halfway round the walk, when hopefully there will be spaces. The pub is over 600 years old and serves beer from Shepherd Neame brewery. Food is served 12-5pm including a Sunday roast. www.running-horse.co.uk/dining for menu and 01372 372081 to book a table.

Directions: From M25 eastbound J9 take 3rd exit off the roundabout A243, and at the next roundabout take 3rd exit A245, then follow the common instructions below.

From M25 westbound J9 take 2nd exit off the roundabout A245 then follow the common instructions below.

Common instructions – At next roundabout take 1st exit (still A245), join one-way system and follow road markings for TOWN CTRE, turning left into North Street. Continue into Bridge Street where the Running Horse can be found on the right.

Public Transport: Leatherhead railway station is about a 10 minute walk from the pub..

Children's Quiz. Find as many animals on the route as you can (draw or write them). The animals can be real, statues, pictures or in names.

Main quiz - House names included.

Starter Clues:

1. Enthroning usher wins the race
2. Swindler's head
3. You have 3 picks

Stage 1: With your back to the pub, cross the road and turn right then left into Minchin Close. Cross over to walk next to the river, forking right onto path leading to the park. Turn left then wiggle right and left up some steps on a path through the park. At the top of the path turn right then wiggle left and go through an archway in the wall on the right (mind your head!) where the stage ends.

4. Pride corner
5. Damning reasons for a stroll in the park
6. Poor pussy

Stage 2: Turn left uphill to the main road, then right and cross over and continue past the church, soon crossing over St Mary's Road and continue downhill. Cross over to Thorncroft Drive where the stage ends.

7. There's no holding back
8. Reading between the lines, it's Sunday, so let the party begin!
9. Look out for overhead vehicles
10. Has the prisoner escaped with a chain?

Stage 3: Go over a bridge then right to join the river path. Continue past the sports ground until a corner with grass on the left. Take the diagonal left grassy path, continuing after the houses past the corner of a disused tennis court and between ditches to the road. Turn right to reach main road where the stage ends.

11. Sounds like old crustaceans shall bridge the gap
(Spare clue: Cascade sounds a bit weird)
12. Sharp focus
13. High rise flats for high flyers

Stage 4: Turn right again at the corner, keeping right and crossing over carefully at East Surrey Water co. Leatherhead Pumping Station New Works 1935 building. Continue over the town bridge and turn left onto a riverside path. Pass under 3 bridges (1 road and 2 railway), eventually going through a kissing gate where the stage ends.

14. Hypocritical notice
(Spare clue: A shining light from the royal household)
15. It took another 5 years to finish at the back
16. Are you even sure you can hang a sign up correctly

Stage 5: Take the diagonal grassy path right through a meadow. Branch right into trees, through a redundant gateway to a second meadow. Continue straight along grass track, ahead at crosspaths towards the houses ahead. Go through a kissing gate and follow the footpath to the road, over a shallow stile, where the stage ends.

17. Seemingly taking contradictive steps
18. Old Giant growing in a cornfield
19. Serious Rocks

Stage 6: Turn right along the pavement, past Mole Business Park, crossing sideroads and go under a bridge. Turn right onto a footpath signed Town Centre, forking left after a few yards keeping the playground immediately left. Stage ends at a round seat.

20. Look back in an emergency
21. St George faces the dragon before uniting
22. A close shave

Stage 7: Ignoring any left and right turns off the path, continue out of the park to arrive at a pedestrian crossing. Cross the road, turn left and then keep right (past Lidl). Turn right into Bridge Street and follow the road back to the pub where it started a few hours ago.

23. They're taking tree-hugging a bit far
